

HOLIDAY HERO PROGRAM

Holiday Hero is about the spirit of giving ~ a priceless act of kindness.

Thank you for your interest in the Holiday Hero Program! This annual celebration brings joy to those who give the gifts and those who receive them!

What: Holiday Hero provides gifts and presents to current and former homeless children who have limited resources to assure that the children can celebrate the holidays!

How: There are several ways to participate in Holiday Hero. You can “adopt” a child to purchase gifts. You can host an office party and ask everyone to bring a new, unwrapped toy. You can convince your colleagues or family members to help you shop gifts for several homeless children or you can donate on online or write a check. And if you can’t afford to do any of the above, you can volunteer and wrap gifts and presents with us at our offices. We appreciate your support!

When: This year the Holiday Hero party is scheduled for Saturday, December 21, 2019. We are requesting that if you decide to participate with the purchase of gifts, and they are wrapped and labeled, that they are delivered (or ready for pick up) by Wednesday, Dec. 18, 2019. If the gifts are not wrapped than they should be ready for delivery or pick up by Monday, December 16, 2019. If you plan to join us to wrap, please call or email with your availability!

Why: The reasons and consequences of being homeless differ for every family assisted but the common concern and commitment are for the children. The children deserve to celebrate the holidays regardless of their living conditions.

*So, whether you had a great year, a mediocre one, or a challenging one, come get involved.
Help us share the basic principles of our holiday cultures, religion, customs and traditions.*

Holiday Hero Party

Saturday, December 21, 2019

11:00 a.m. – 1:00 p.m.

Ignacia Zaragoza Elementary School Gym

4550 Worth St, Dallas, TX 75246
